

To use check imaging for public funds, a financial institution must be approved by the Arkansas Legislative Audit. Financial institutions not on this list must return original canceled checks to all public entities as defined in Act 648 of 1999 [A.C.A. 19-2-502 (Supplement 2007)].

Noncompliance: If a financial entity fails to comply with the provisions of the Act, the financial institution is not eligible to accept the deposit of public funds [A.C.A. 19-2-503 (Supplement 2007)].

If you have applied and received a "Check Imaging Approval Letter" from the Arkansas Legislative Audit and do not appear on this list, please contact Frank Arey at (501) 683-8600 or [frank.arey@arklegaudit.gov](mailto:frank.arey@arklegaudit.gov).
