Thornton, AR

Management is responsible for the accompanying financial statements of Thornton Water Works, which comprise the statement of assets, liabilities, and fund equity – modified cash basis as of June 30, 2017, and the related statement of cash receipts and cash disbursements for the year then ended, and for determining that the cash basis of accounting is an acceptable financial reporting framework. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement, nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management.
